UNI — Schindler Education Center Renovation — RIIF

Purpose

This funding was used to renovate the Schindler Education Center at the University of Northern Iowa (UNI). The building is the primary facility at UNI that is used to train teachers. The original facility was completed in 1973. The renovation involved completing deferred maintenance and redesigning existing classrooms for compatibility with more up-to-date teaching methods.

Funding

The General Assembly initially appropriated \$11.0 million in FY 2016, \$13.6 million in FY 2017, and \$6.3 million in FY 2018 from the Rebuild Iowa Infrastructure Fund. In the 2015 Legislative Session, funding was adjusted. Funding was allocated as follows: \$15.0 million in FY 2016, \$15.9 million in FY 2017, and no funding for FY 2018. The total cost of the project remained the same at \$30.9 million.
